

Dear Jasmine,

Having now returned from our honeymoon we feel that we owe you so many thanks for making our one special day so amazing.

We cannot express in words quite how perfect the whole day was. The music in the church was fantastic, the String quintet brought tears to my eyes and the band was absolutely brilliant. A special thank you is also required for allowing me, as we discussed, to perform my one song with your band. James was absolutely delighted as well as very surprised.

All our family and friends had such a good time and we could not have done it all without you.

Thankyou so very much

Nicki & James

Dear Jasmine

Firstly, apologies for the delay in sending this. We would like to express our most heart felt thanks to you and all the musicians and DJ, for our wedding at Lympne Castle on the 9/9/04. You really gave us the best musical atmosphere for our day. We recieved endless comments from our guests on how wonderful it all was - especially the harpist for our ceremony - just perfect!. Everything was so well organised and what a variety for all to enjoy!.

By the end of the evening we were doing the cha, cha, cha with the DJ!.

We really appreciate all the time and hard work it must have taken to organise all this and make our perfect day so special.

With very Best wishes and special thanks.

Melanie & Jason Hicks.
